

SCIENTIFIC PROGRAMME

Thursday May 27th

62nd Annual Congress of the Scandinavian Neurosurgical Society Venue Radisson BLU Scandinavia Hotel Margrethepladsen 1 8000 Aarhus C	
16:00-19:00	Registration at Radisson BLU Scandinavia Hotel
12:00-19:00	Satellite Meeting SNC Location: Danish Neuroscience Center Aarhus University Hospital Conference Room next to the "DNC Canteen"
15:00-17:00	Satellite Meeting DNKS - General Assembly Location: Radisson BLU Scandinavia Hotel Conference Room 11
17:00-18:00	Satellite Meeting Committee Meeting for Organizing Nurses Location: Radisson BLU Scandinavia Hotel Conference Room 15
19:00-20:00	Social Programme Welcome reception at Aarhus City Hall

SCIENTIFIC PROGRAMME

Friday May 28th

62nd Annual Congress of the Scandinavian Neurosurgical Society Venue Scandinavian Congress Center Margrethepladsen 1 8000 Aarhus C	
Brain Trauma and Neuromonitoring	
08:00-09:00	Registration Poster Set-up Entrance through Radisson BLU Scandinavia Hotel or Skovgårdsgade
09:00-09:15	Welcome by the President of SNS, Dr. Jannik Brennum, Department of Neurosurgery, University of Copenhagen, Denmark
09:15-09:30	Welcome by the Local Organizer Professor, Dr. Jens Chr. Sørensen, Department of Neurosurgery NK, Aarhus University Hospital, Denmark. Introduction to Professor Michael Apuzzo
09:30-10:30	Presidential Lecture by Professor, Editor-In-Chief World Neurosurgery Michael Apuzzo from Los Angeles, USA
10:30-11:00	Coffee break Exhibition / Posters / Mingle
	Session 1: Brain Trauma and Neuromonitoring of the TBI patient Chair Professor Bertil Romner, Department of Neurosurgery, University of Copenhagen, Denmark & Chair Professor Iver Langmoen, Ullevål Hospital, Oslo, Norway
11:00-11:15	Introduction by Professor Bertil Romner, Department of Neurosurgery, University of Copenhagen, Denmark
11:15-11:45	Microdialysis by Dr. Peter Reinstrup, Lund University, Sweden.
11:45-12:15	Cerebral Oxygen Monitoring by Dr. Erhard Lang, Germany
12:15-12:45	Predictors for outcome by Dr. Pål Rønning, Norway
12:45-13:45	Lunch
	Session 2: Brain Trauma and Neuromonitoring Chair Professor Bertil Romner, Department of Neurosurgery, University of Copenhagen, Denmark & Chair Professor Jens Astrup, Department of Neurosurgery, Glostrup Hospital, Denmark
13:45-14:05	Neuro IVU treatment – Danish Guidelines by Consultant Anaesthesiologist Dr. Niels Juul, Department of Anaesthesiology, Aarhus University Hospital, Denmark
14:05-14:25	Neuro IVU treatment – Lund concept by Consultant Anaesthesiologist Professor, Dr. Per Oluf Grande, Lund University Hospital, Sweden
14:25-14:45	Panel discussion

Friday May 28th

	Doctors Short Oral Presentations	Nurses Oral Presentations
	Chair Dr. Carsten Kock-Jensen, Hammel Neurorehabilitation and Research Center, Denmark & Chair Dr. Erhard Lang, Germany	Chair Headnurse Torhild Vedeler, Department of Neurosurgery, Bergen, Norway & Chair Clinical Nurse Specialist Leanne Langhorn, Department of Neurosurgery NK, Aarhus University Hospital, Denmark
14:45-15:15	“Cerebral Autoregulation Monitoring – Clinical Relevance” Dr. Erhard Lang, Germany	Special Invited Speaker “NeuroBlend™: New EANN services for its members”
15:15-15:35	“Medical aid on the prehospital stage to patients with neurotrauma in traffic accidents: International comparison” Dr. Malik Khalmuratov, Department of Neurosurgery NK, Aarhus University Hospital, Denmark	MScN Paul van Keeken, Clinical Nurse Specialist, President of the European Association of Neuroscience Nurses, Holland 14:45-15:45
15:35-15:55	“Paroxysmal autonomic instability with dystonia” Dr. Vino Apok, Royal Preston Hospital, Preston, UK	“Occurrence and severity of agitated behaviour in patients during subacute rehabilitation after extremely severe traumatic brain injury”
15:55-16:15	“Thrombolytic treatment of intraventricular hematoma” Dr. Jiri Bartek, Department of Neurosurgery, Rigshospitalet, Copenhagen University Hospital, Denmark	Dr. Med Sci. Ingrid Poulsen, Department of Neurorehabilitation, Traumatic Brain Injury Unit, Copenhagen University Hospital, Denmark 15:45:16:15
16:15-16:45	Coffee break Exhibition / Posters / Mingle	
	Doctors Short Oral Presentations	Nurses Short Oral Presentations
	Chair Dr. Bo Bergholt, Department of Neurosurgery NK, Aarhus University Hospital, Denmark & Chair Dr. PhD Gorm von Oettingen Department of Neurosurgery NK, Aarhus University Hospital, Denmark	Chair MLP Tina Kramer, Department of Neurosurgery NK, Aarhus University Hospital, Denmark & Chair MSN Tina Wang Vedelø, Department of Neurosurgery NK, Aarhus University Hospital, Denmark
16:45-17:05	“Efficacy of Mianserin to sleep disturbance at the agitated TBI patient in the Post Traumatic Amnesia phase” Dr. Torben Hundsholt, Department of Neurosurgery, Aalborg, Denmark	“From idea to reality – development of National Interdisciplinary Guidelines in Neurosurgery diseases” MHH Ann-Sophi Jappe, Department of Neurosurgery NK, Aarhus University Hospital, Denmark & MLP Ann Birgit Guldager Nonboe, Neurointensive Department, Glostrup Hospital, Denmark

Friday May 28th

17:05-17:25	<p>“New ways of storage of boneflaps after Craniectomy” Dr. Pia Olesen, Department of Neurosurgery, Aalborg, Denmark</p>	<p>“Optimization of recovery for patients who have undergone intracranial surgery” RN Mette Husum, Department of Neurosurgery, Glostrup Hospital, Denmark & RN Charlotte Olesen, Department of Neurosurgery, Glostrup Hospital, Denmark</p>
17:25-17:45	<p>“MEK1/2 inhibition improves neurological outcome and abolishes cerebrovascular receptor upregulation after subarachnoid hemorrhage in the rat” Dr. Carl Larsen, Department of Neurosurgery, Glostrup University Hospital, Denmark</p>	<p>“How to improve outcome after severe brain injury – keep your patient cuffed” Occupational therapist Katje Bjerrum, Hammel Neurorehabilitation and Research Center, Denmark</p>
17:45-17:50	<p>Closure remarks Information about social programme</p>	<p>Closure remarks Information about social programme</p>
18:00-19:00	<p>Satellite Meeting SNS - Board Meeting</p> <p>Location: Radisson BLU Scandinavia Hotel Conference Room 19</p>	
19:30-	<p>Social Programme Tour of Aarhus Old Town with take-a-long dinner</p>	

SCIENTIFIC PROGRAMME

Saturday May 29th

62nd Annual Congress of the Scandinavian Neurosurgical Society Venue Scandinavian Congress Center Margrethepladsen 1 8000 Aarhus C	
Organ donation – organization, ethics, treatment and care	
09:00-09:15	Welcome by Helle Haubro Andersen, Director of Danish Center for Organ Donation
	Chair Helle Haubro Andersen, Director of Danish Center for Organ Donation. & Chair President of SNS, Dr. Jannik Brennum, Department of Neurosurgery, University of Copenhagen, Denmark
09:15-10:00	“Identification of the organdonor and the diagnosis of brain death” by Tiit Mathiesen, Department of Neurosurgery, Karolinska, Stockholm, Sweden
10:00-10:30	Coffee break Exhibition / Posters / Mingle
Presentation of the different organizational strategies for donor identification and organ donation in Scandinavia. Followed by panel debate	
10:30-11:00	“The Norwegian Model” by Per Fauchald, Head of National Council for Organ Donation, Oslo, Norway
11:00-11:30	“The Swedish Model for optimizing Organ and Tissue Donation” by Charlotte Möller, Head of The Swedish Council for Organ and Tissue Donation & Cathrine Pålsson Ahlgren, former MP of the Social committee and Member of The Swedish National council on Medical Ethics
11:30-12:00	“The Danish strategies” by Helle Haubro Andersen, LL.M, Head of Danish Center for Organ Donation & Karin Riis Jørgensen, former MEP, kidney donor and campaigner for more donors in Denmark
12:00-12:30	Panel discussion on the different organizational strategies for donor identification and organ donation in Scandinavia
12:30-13:30	Lunch
	Chair Professor Tiit Mathiesen, Department of Neurosurgery, Karolinska, Stockholm, Sweden & Chair Dr. Mogens Kim Skadborg, Department of Anaesthesiology, Aarhus University Hospital, Denmark
13:30-14:10	”Ethical considerations regarding the brain dead organdonor, relatives and the needs of the recipient” by Consultant, MD, AA.phil., MEVO, Mogens Kim Skadborg, Department of Anaesthesiology, Aarhus University Hospital, Denmark

Saturday May 29th

14:10-14:40	“The beginning of a Local Clinical Ethic Committee in the Hospital of Aalborg, Aarhus University Hospital, Denmark” by MPA, Nurse Manager Dorte Holdgaard, Hospital of Aalborg, Aarhus University Hospital, Denmark	
14:40-15:00	“The Donor Family Experience” by PhD student, Anthropologist Anja Marie Bornø Jensen, Department of Anthropology, University of Copenhagen, Denmark	
15:00-15:30	Coffee break Exhibition / Posters / Mingle	
	Doctors Short Oral Presentations	Nurses Short Oral Presentations
	Chair Professor Jens Haase, Department of Health Science, Aalborg University, Denmark & Chair Dr. Carsten R. Bjarkam, Department of Anatomy, The Faculty of Health Sciences, Aarhus University, Denmark	Chair MPA, Nurse Manager Dorte Holdgaard, Hospital of Aalborg, Aarhus University Hospital, Denmark & Chair RN Dorthe Jensen, Department of Neurosurgery NK, Aarhus University Hospital, Denmark
15:30-15:50	”Arachnoid cysts do not contain cerebrospinal fluid: A comparative chemical analysis of arachnoid cyst fluid and cerebrospinal fluid in adults” Professor Knut Wester, Department of Neurosurgery, Haukeland University Hospital, Bergen, Norway	”Treatment of a brain dead organ donor in the intensive care unit at Neurosurgical Clinic in Finland” Clinical Nurse Specialist Jaana Kotila, Department of Neurosurgery, Töölön Hospital, Finland
15:50-16:10	”Endoscopic endonasal transsphenoidal approach compared with traditional microsurgical approach: Outcome analysis of 36 consecutive procedures” Dr. Helga Gulisano, Department of Neurosurgery, Hospital of Aalborg, University of Aarhus, Denmark	”Early rehabilitation of patients with posttraumatic amnesia in the neuro-ICU” PhD student, Clinical Nurse Specialist Leanne Langhorn, Department of Neurosurgery NK, Aarhus University Hospital, Denmark
16:10-16:30	”Historic review – ActiGait – a new FES (Functional Electric Stimulation) improves gait among patients with apoplectic hemiplegia” Professor Jens Haase, Department of Health Science, Aalborg University, Denmark	”Development of clinical knowledge in a neurosurgical ward” Neuroscience Nurse Nina Rusted, Neurosurgery Department, Oslo University Hospital, Ullevål, Norway
16:30-16:35	Closure remarks Information about social programme	Closure remarks Information about social programme
17:45	Social Programme Free transportation by bus to Restaurant Terrassen in Tivoli Friheden	
18:00-01:00	Gala, Dinner & Dance. Presentation awards and talks. Dancing music by “PARKLIFE” Night snack at 00:30	
01:15	Free transportation by bus to the hotels	

SCIENTIFIC PROGRAMME

Sunday May 30th

62nd Annual Congress of the Scandinavian Neurosurgical Society Venue Radisson BLU Scandinavia Hotel Scandia Ballroom Margrethepladsen 1 8000 Aarhus C	
Experiences from Camp Bastion in Afghanistan	
10:00-10:10	Good morning by the Local Organizer, Professor Jens Chr. Sørensen Introduction to the session
	Chair Professor Dr. Jens Chr. Sørensen, Department of Neurosurgery NK, Aarhus University Hospital, Denmark & Chair Consultant Anaesthesiologist Dr. Niels Juul, Department of Anaesthesiology, Aarhus University Hospital, Denmark
10:10-10:40	Trauma reception and initial resuscitation by Consultant Anaesthesiologist Dr. Niels Juul, Department of Anaesthesiology, Aarhus University Hospital, Denmark
10:40-11:10	Treatment of Traumatic brain injury in a Field Hospital, from the perspective of a General Surgeon by Consultant General Surgeon Pauli Mortensen, Surgical Department A (Gastro), Odense University Hospital, Denmark
11:10-11:40	Treatment of Traumatic brain injury in a Field Hospital, from the perspective of a Neurosurgeon by Consultant Neurosurgeon Colin Shieff, DCA Neurosurgery, Royal Free Hospital, London, England
11:40-11:55	Discussion
11:55-12:00	Closing remarks and Good Bye Local Organizer, Professor Jens Chr. Sørensen & President of SNS Dr. Jannik Brennum
12:00-13:00	Farewell lunch "to-go-sandwich"
